Avis de projet de règlement aux termes de la Loi de 2006 sur l'intégration du système de santé local Engagement de la communauté francophone au sujet du réseau local d'intégration des services de santé

Introduction

Au nom du gouvernement de l'Ontario, le ministre de la Santé et des Soins de longue durée invite le public à faire des commentaires sur un projet de règlement pris en application de l'article 16 de la *Loi de 2006 sur l'intégration du système de santé local* (la Loi).

La Loi autorise le lieutenant-gouverneur en conseil à adopter des règlements sur le mode d'engagement des communautés par les réseaux locaux d'intégration des services de santé (RLISS). La Loi prévoit également des processus d'engagement communautaire des communautés francophones.

En vertu de la Loi, le ministre est tenu de publier un avis sur le projet de règlement et de prévoir au moins 60 jours pour la présentation de commentaires du public.

Aperçu de la Loi

La Loi a reçu la sanction royale le 28 mars 2008. Cette loi prévoit l'établissement d'un système intégré de santé visant à améliorer la santé des Ontariennes et des Ontariens grâce à l'amélioration de l'accès aux services de santé, à la coordination des soins de santé et à la gestion efficace et efficiente du système de santé à l'échelon local par les réseaux locaux d'intégration des services de santé (RLISS).

Projet de règlement pris en application de la Loi de 2006 sur l'intégration du système de santé local

Le projet de règlement exige que chaque RLISS établisse un comité au plus tard six mois après l'entrée en vigueur du présent règlement afin d'engager la communauté francophone au sujet du système de santé local.

Le RLISS nommera les membres du comité qui représenteront la diversité locale de la communauté francophone et qui œuvreront au sein du système de santé local ou seront touchés par celui-ci.

Les membres du comité devront travailler avec des organismes qui sont reliés à la communauté et qui participent à la planification et à la fourniture de services de santé dans la zone géographique locale, notamment :

- les organismes communautaires
- les écoles, collèges et universités
- les membres des professions de la santé réglementées
- les fournisseurs de services de santé

Deux réseaux locaux d'intégration des services de santé ou plus peuvent créer conjointement un comité si chacun d'eux estime, après en avoir discuté avec la communauté francophone, que les membres du comité représentent adéquatement la diversité de la communauté francophone de la (des) zone(s) géographique(s) servie(s).

Le RLISS demandera les conseils du comité à propos de ce qui suit :

- comment engager la communauté francophone et les intervenants de la localité aux fins de la planification du système de santé local;
- les besoins en matière de santé de la communauté francophone dans la région servie par le RLISS;
- comment améliorer l'accès, l'accessibilité et l'intégration des services de santé en français;
- les méthodes permettant de tenir compte de la nécessité d'offrir des services à la communauté francophone;
- l'identification et la désignation des fournisseurs de services en français en vue de la prestation des services de santé en français.

Chaque RLISS expliquera dans son rapport annuel le contenu, la fréquence et la forme de ses activités d'engagement de la communauté francophone, la composition du comité et comment il s'est conformé au mandat du comité.

Notice of Proposed Regulation Under the Local Health System Integration Act, 2006 Local Health Integration Network Francophone Community Engagement

Introduction

The Minister of Health and Long-Term Care on behalf of the Government of Ontario invites public comments on a proposed regulation made under section 16 of the *Local Health System Integration Act, 2006 (LHSIA)*.

The Act allows the Lieutenant Governor in Council to make regulations about the ways in which Local Health Integration Networks (LHINs) engage their communities. *LHSIA* also identifies community engagement processes for Francophone.

Under the Act, the Minister is required to publish a notice of the proposed regulation and allow at least 60 days for public comment.

Overview of the Legislation

LHSIA received Royal Assent on March 28, 2006. The legislation establishes an integrated health system to improve the health of Ontarians through better access to health services, coordinated health care and effective and efficient management of the health system at the local level by Local Health Integration Networks (LHINs).

Proposed Regulation under the *Local Health System Integration Act, 2006*

The proposed regulation requires each LHIN to establish a committee no later than six months after the regulation comes into force in order to engage the Francophone community on the local health system.

The LHIN will appoint members to the committee who represent the local diversity of the Francophone community and who are also involved or impacted by the local health system.

Members of the committee will be involved with organizations that are connected to the community and that are involved in the planning and delivery of health care services in the local area. These include, but are not limited to:

- Community organizations
- Schools, colleges and universities
- Members of regulated health professions
- Health service providers

Two or more LHINs may jointly establish one committee, if after conferring with the Francophone community, they determine that the members of the committee adequately represent the diversity of the Francophone community in the area(s) that they serve.

The LHIN will ask for the committee's advice on the following topics:

- How to best engage the local Francophone community and stakeholders to inform local health system planning;
- The health needs of the Francophone community in the area served by the LHIN;
- How to improve access, accessibility and integration of French language health services;
- Methods for taking into account the need to provide services to the Francophone community;
- Identifying and designating health service providers for the provision of French language health services.

Each LHIN will report on the content, frequency and format of its Francophone community engagement activities, the membership of the committee and the fulfilment of the committee's mandate in its annual report.

A copy of the proposed regulation is attached as Schedule "A."

1. (1) For the purposes of this Regulation, the following drinking water systems are specified as small drinking water systems:

1. Subject to subsection (2), every municipal drinking water system that does not serve a major residential development and that does not serve a designated facility.
2. Subject to subsection (2), every non-municipal drinking water system that does not serve a major residential development or a trailer park or campground that has more than five service connections and that does not serve a designated facility.
3. Every non-municipal drinking water system that,
 - i. serves,
 - A. a major residential development, or
 - B. a trailer park or campground that has more than five service connections, and
 - ii. does not operate to supply water to a development, trailer park or campground referred to in subparagraph i for at least 60 consecutive days in,
 - A. every calendar year, or
 - B. every period that begins on April 1 in one year and ends on March 31 in the following year.

(2) Despite the specifications set out in paragraphs 1 and 2 of subsection (1), a drinking water system described in those paragraphs that is not capable of supplying drinking water at a rate of more than 2.9 litres per second will only be considered to be a small drinking water system if the system serves a public facility.

(3) Where a drinking water system described in paragraph 1 or 2 of subsection (1) has one or more distribution lines that supply water exclusively for operations described in subsection (4), the following calculation shall be performed for purposes of determining under subsection (2) whether the drinking water system is capable of supplying drinking water at a rate of more than 2.9 litres per second:

$$A - B$$

where,

- A = the maximum rate, expressed in litres per second, at which the drinking water system can supply drinking water,
- B = the sum of the average rates, expressed in litres per second, at which the drinking water system supplied drinking water in the preceding calendar year to the distribution lines that supply water exclusively for operations described in subsection (4).

(4) The operations referred to in subsection (3) are the following:

1. Agricultural operations.

2. Landscaping operations.
3. Industrial or manufacturing operations, including food manufacturing or processing operations.
4. Swimming pool or skating rink maintenance operations.

(5) Despite subsection (3) and the specifications set out in paragraphs 1 and 2 of subsection (1), a drinking water system will be considered under subsection (2) to be incapable of supplying drinking water at a rate of more than 2.9 litres per second for the calendar year in which the system begins operation if the owner of the system, on reasonable and probable grounds, estimates that the result of the calculation referred to in subsection (3) would be 2.9 litres per second or less if the system had operated during all of the preceding calendar year.

(6) For the purposes of subsection (1),

“municipal drinking water system” means a drinking water system or part of a drinking water system,

- (a) that is owned by a municipality or by a municipal service board established under the *Municipal Act, 2001* or a city board established under the *City of Toronto Act, 2006*,

- (c) from which a municipality obtains or will obtain water under the terms of a contract between the municipality and the owner of the system, or
- (d) that serves a major residential development and was established after June 1, 2003 under an agreement with a municipality pursuant to Part VI of the *Planning Act*, if the agreement provides that ownership of the system may be transferred to the municipality, a municipal service board established under section 195 of the *Municipal Act, 2001* or a corporation established under section 203 of the *Municipal Act, 2001*;

“non-municipal drinking water system” means a drinking water system that is not a municipal drinking water system.

(7) For the purposes of paragraph 3 of subsection (1), a drinking water system that, during the 365-day period that begins on the day the system begins operation, will not supply water for at least 60 consecutive days to a major residential development, trailer park or campground referred to in that paragraph shall be deemed, during that 365-day period, to be a drinking water system that does not operate to supply water to a development, trailer park or campground for at least 60 consecutive days in every calendar year.

1. Immediately flush the distribution system and any plumbing owned by the owner of the drinking water system that is connected to the small drinking water system, and restore secondary disinfection to ensure that,
 - i. a free chlorine residual of at least 0.05 milligrams per litre is quickly achieved at all points in the affected parts of the distribution system and plumbing, if the drinking water system provides chlorination and does not provide chloramination, or
 - ii. a combined chlorine residual of at least 0.25 milligrams per litre is quickly achieved at all points in the affected parts of the distribution system and plumbing, if the drinking water system provides chloramination.
2. If the drinking water system provides chlorination, the system does not provide chloramination and a free chlorine residual of at least 0.05 milligrams per litre cannot be quickly achieved at all points in the affected parts of the distribution system and plumbing, immediately take all reasonable steps to notify all users of water from the system to use an alternate source of drinking water or, if no alternate source is available, to bring water to a rapid rolling boil for at least one minute before use.
3. If the drinking water system provides chloramination and a combined chlorine residual of at least 0.25 milligrams per litre cannot be quickly achieved at all points in the affected parts of the distribution system and plumbing, immediately take all reasonable steps to notify all users of water from the system to use an alternate source of drinking water or, if no alternate source is available, to bring water to a rapid rolling boil for at least one minute before use.

(2) Despite paragraphs 1 through 3 of subsection (1), where the medical officer of health of the health unit in which the small drinking water system is located instructs the operator or owner to take other steps the operator or owner shall be in compliance with this section if the operator or owner ensures that the corrective action is taken as contained in the instructions of the medical officer of health.

Immediately take all reasonable steps to notify all users of water from the system to use an alternate source of drinking water or, if no alternate source is available, to bring water to a rapid rolling boil for at least one minute before use, the notices to stay into effect until *Escherichia coli* (E. coli) or the pathogen is not detected in any of the samples from two consecutive sets of samples taken 24 to 48 hours apart or as otherwise instructed by the medical officer of health.
2. Immediately resample and test.
3. If the drinking water system uses chlorine, immediately increase the chlorine dose and flush the distribution system and any plumbing owned by the owner of the drinking water system that is connected to the small drinking water system to ensure that,
 - i. a free chlorine residual of at least 0.2 milligrams per litre is achieved at all points in the affected parts of the distribution system and plumbing, if the drinking water system provides chlorination and does not provide chloramination, or
 - ii. a combined chlorine residual of at least 1.0 milligrams per litre is achieved at all points in the affected parts of the distribution system and plumbing, if the drinking water system provides chloramination.
4. If the drinking water system provides chlorination or chloramination, maintain the free chlorine residual or combined chlorine concentration referred to in paragraph 3 in the affected parts of the distribution system and plumbing, and continue to resample and test, until *Escherichia coli* (E. coli) is not detected in any of the samples from two consecutive sets of samples taken 24 to 48 hours apart or as otherwise instructed by the medical officer of health.
5. If the drinking water system does not use chlorine, immediately take such steps in regard to the temporary disinfection of the drinking water system as are required by the medical officer of health of the health unit in which the small drinking water system is located

(2) Despite paragraphs 1 through 4 of subsection (1), where the medical officer of health of the health unit in which the small drinking water system is located instructs the operator or owner to take other steps the operator or owner shall be in compliance with this section if the operator or owner ensures that the corrective action is taken as contained in the instructions of the medical officer of health.

1. Resample and test as soon as possible.
2. If the drinking water system uses chlorine, and if total coliforms are detected under paragraph 1, immediately increase the chlorine dose and flush the distribution system and any plumbing owned by the owner of the drinking water system that is connected to the small drinking water system to ensure that,
 - i. a free chlorine residual of at least 0.2 milligrams per litre is achieved at all points in the affected parts of the distribution system and plumbing, if the drinking water system provides chlorination and does not provide chloramination, or
 - ii. a combined chlorine residual of at least 1.0 milligrams per litre is achieved at all points in the affected parts of the distribution system and plumbing, if the drinking water system provides chloramination.
3. If total coliforms are detected under paragraph 1 and the drinking water system provides chlorination or chloramination, maintain the free chlorine residual or combined chlorine concentration referred to in paragraph 2 in the affected parts of the distribution system and plumbing, and continue to resample and test, until total coliforms are not detected in any of the samples from two consecutive sets of samples taken 24 to 48 hours apart or as otherwise instructed by the medical officer of health.
4. If the drinking-water system does not use chlorine, immediately take such steps in regard to the temporary disinfection of the drinking water system as are required by the medical officer of health of the health unit in which the small drinking water system is located.

(2) Despite paragraphs 1 through 3 of subsection (1), where the medical officer of health of the health unit in which the small drinking water system is located instructs the operator or owner to take other steps the operator or owner shall be in compliance with this section if the operator or owner ensures that the corrective action is taken as contained in the instructions of the medical officer of health.

 - (i) how much the Board declares the shortfall is or is anticipated to be,
 - (ii) the amount described in clause (a), and
 - (iii) the fact that the dealer is required to pay the amount described in clause (a) within 60 days of receiving the notice.
- (6) Subsection 37 (3) of the Act does not apply to a notice given under subsection (5).

(7) A registered motor vehicle dealer who receives a notice under subsection (5) shall pay the amount stated in the notice to the Fund within 60 days of receiving the notice.

Payments in default

76. (1) If a motor vehicle dealer registered as a general dealer, broker or lease finance dealer defaults in making a required payment to the Fund, the Board may give a notice in writing of the default to the dealer.

(2) Subsection 37 (3) of the Act does not apply to a notice given under subsection (1).

(3) If the registered motor vehicle dealer is still in default 21 days after receiving the notice under subsection (1), then in addition to being liable for the amount in default, the dealer is liable to the Fund for,

- (a) a penalty of 10 per cent of the amount in default, except if the default is due to insolvency, bankruptcy or a voluntary or compulsory winding-up of the dealer; and
- (b) interest on the amount in default at the postjudgment interest rate under section 127 of the *Courts of Justice Act* calculated from the day that is 21 days after the day the notice under subsection (1) was served.

Payers have no right to Fund

77. For greater certainty, no payment to the Fund gives a registered motor vehicle dealer or a motor vehicle dealer formerly registered under the Act or the *Motor Vehicle Dealers Act* a right to any money or property in the Fund.

Ceasing to be registered

78. Upon ceasing to be registered in the class of general dealer, broker or lease finance dealer, a motor vehicle dealer shall provide the Board with,

- (a) details in writing of every liability or obligation of the dealer that the dealer knows of that could give rise to an entitlement to compensation from the Fund, including unsettled claims against the dealer; and
- (b) an explanation in writing of the arrangements, if any, the dealer has made to satisfy any of the liabilities and obligations of the dealer described in clause (a).

CLAIMS

Entitlement to compensation

79. (1) A customer of a registered motor vehicle dealer is entitled to compensation from the Fund in respect of a claim for a pecuniary loss if,

- (a) the claim arose from a trade in a motor vehicle between the customer and the dealer;
- (b) the claim meets the requirements set out in a paragraph of subsection (3);
- (c) at the time of the trade, the dealer was a registrant;
- (d) the customer was acting in the trade as a consumer within the meaning of the *Consumer Protection Act, 2002*; and
- (e) the customer has given the dealer, in accordance with section 37 of the Act, a written notice of demand for payment of the claim and the dealer has refused to pay the claim or is unable to do so.
- (2) Subsection 37 (3) of the Act does not apply to a notice given under clause 79 (1) (e) of this Regulation.
- (3) The requirements for a claim mentioned in clause (1) (b) are the following:

1. The claim arose from an act or omission of the registered motor vehicle dealer that was the subject of a proposal under clause 9 (1) (a) or (b) of the Act to suspend, revoke or refuse to renew the registration of the dealer and,
 - i. the dealer did not request a hearing by the Tribunal, or
 - ii. the dealer requested a hearing by the Tribunal and the Tribunal ordered the registrar to suspend, revoke or refuse to renew the registration of the dealer.
 2. The claim arose from a trade in connection with which the registered motor vehicle dealer has been convicted of an offence.
 3. The trade from which the claim arose was a purchase or lease of a motor vehicle from the registered motor vehicle dealer. A law enforcement authority has seized the vehicle and indicated that it will not be returned to the purchaser or the lessee.
 4. The trade from which the claim arose was a purchase or lease of a motor vehicle from the registered motor vehicle dealer. A creditor, other than a creditor of the customer, has legally seized the vehicle and indicated that it will not be returned to the purchaser or the lessee.
 5. The trade from which the claim arose was a purchase or lease of a motor vehicle from the registered motor vehicle dealer. The claim does not exceed the total sale price of the vehicle at the time of the purchase, if the claim arose from a purchase of the vehicle, or the lease value of the vehicle included in the information mentioned in subparagraph 1 i of subsection 41 (1) at the time of the lease, if the claim arose from a lease of the vehicle. The claim is for a deficiency that the dealer has refused to remedy. The deficiency is something that,
 - i. the vehicle does not have and the customer had indicated was material to the trade for the vehicle to have, or
 - ii. the vehicle has and the customer had indicated was material to the trade for the vehicle not to have.
 6. The claim is for the return of a deposit or other payment by the customer under a contract for the purchase or lease of a motor vehicle from the registered motor vehicle dealer. The dealer has not delivered to the customer, within the time period required by the contract, the vehicle or an alternative motor vehicle that is acceptable to the customer. The customer has made a demand for a refund of the deposit or payment. The dealer has refused without legal justification to make the refund or is unable to make the refund by reason of bankruptcy or insolvency.
 7. The claim relates to an extended warranty that was sold by the registered motor vehicle dealer or facilitated through the dealer. The claim is for,
 - i. the return of all payments made by the customer under the warranty that were unearned because the dealer has not complied with clause 47 (7) (c),
 - ii. the cost of repairs or replacement that should have been, but were not, provided under the warranty, if the dealer was the seller of the warranty, or
 - iii. the amount for which the dealer is liable under subsection 47 (3), if the dealer was not the seller of the warranty.
 8. The claim relates to a service plan that was sold by the registered motor vehicle dealer or facilitated through the dealer. The claim is for,
 - i. the return of all payments made by the customer under the service plan that were unearned because the dealer has not complied with clause 48 (6) (c), or
 - ii. the cost of goods or services that should have been, but were not, provided under the service plan, if the dealer was the seller of the plan.
 9. The claim is for a refund owed to a customer under clause 50 (10) (b) or (11) (b) if the customer is entitled to a refund under the applicable clause.
 10. The amount of the claim is the subject of a judgment or an order made by a court for the payment of compensation or the making of restitution by the registered motor vehicle dealer to the customer. The judgment or order has become final by reason of the expiration of the time for appeal or of having been confirmed by the highest court to which an appeal may be taken.
 11. The claim is for a liquidated amount that the registered motor vehicle dealer owes to the customer. The dealer has become a bankrupt or a winding-up order has been made or a receiver appointed in respect of the business of the dealer under the *Bankruptcy and Insolvency Act* (Canada), the *Companies' Creditors Arrangement Act* (Canada) or the *Winding-up and Restructuring Act* (Canada).
- (4) Despite subsection (1), a customer is not entitled to compensation from the Fund if,
- (a) the customer is related, by blood or adoption, to the registered motor vehicle dealer against whom a claim is made or to a director or officer of the dealer;

- (b) the customer is a spouse of the registered motor vehicle dealer against whom a claim is made or a spouse of a director or officer of the dealer;
- (c) the customer is associated, as described in subsection 1 (2) of the Act, with the registered motor vehicle dealer against whom a claim is made;
- (d) the customer was complicit in illegal conduct relating to the trade;
- (e) the customer misrepresents the nature of the claim or provides false or misleading evidence in support of the claim; or
- (f) the customer made a previous claim for compensation from the Fund based on the same facts or substantially the same facts.

Procedure and time for claim

80. (1) To make a claim for compensation from the Fund, a customer shall give written notice of the claim to the registrar within two years after the claim first meets the requirements set out in the relevant paragraph of subsection 79 (3).

(2) If the Board considers it proper to do so, the Board may extend the time for making a claim for compensation.

(3) The notice of the claim shall contain full particulars of the claim and full particulars of any partial payment or recovery that the customer has received or is entitled to receive in respect of the claim and shall be accompanied by all documents and other information that the Board requires to determine whether or not the customer is entitled to compensation from the Fund.

(4) On receiving a notice of a claim and the accompanying documents and information, the registrar shall forward them to the Board.

Response of Board

81. (1) The Board may request that the customer making a claim for compensation from the Fund provide documents or other information in addition to those that accompany the claim and may require that the additional documents or information be in the form of an affidavit or be supported by an affidavit.

(2) The Board may request that a customer agree in writing to subrogate the Fund to any and all rights and remedies to which the customer is entitled in respect of payment of a claim for compensation from the Fund.

(3) If the customer does not provide the additional documents or other information mentioned in subsection (1) or agree to the subrogation described in subsection (2) within one year after receiving the request under the applicable subsection, the claim shall be deemed to be abandoned, unless the Board is satisfied that it would not be fair to do so.

(4) A customer whose claim is deemed to be abandoned shall not in any way revive the abandoned claim.

Determination of claims

82. (1) The Board shall determine the eligibility of a claim for compensation from the Fund and the amount of the compensation payable and shall advise the Trustee of its determination.

(2) The Trustee shall pay the compensation determined by the Board, subject to this section and section 83.

(3) Before a customer is paid compensation from the Fund in respect of a claim, the Board may require that the customer,

- (a) obtain a judgment in respect of the claim, cause an execution to be issued under it, cause levies to be made under it and examine the judgment debtors;
- (b) exhaust any other legal remedies, in addition to those described in clause (a), available to the customer in respect of the claim; or
- (c) bring an action against any person against whom the customer might reasonably be considered as having a cause of action in respect of the claim.

Limits on compensation

83. (1) No person or body, including the Board and the Trustee, shall pay compensation from the Fund to a customer in respect of a claim if the amount of the compensation exceeds the amount that the customer would be entitled to from the registered motor vehicle dealer against whom the claim is made.

(2) No person or body, including the Board and the Trustee, shall pay compensation from the Fund for interest unless a court has awarded the interest.

(3) No person or body, including the Board and the Trustee, shall pay compensation from the Fund for an award of punitive damages by a court or for interest that relates to the award of punitive damages.

(4) No person or body, including the Board and the Trustee, shall pay compensation from the Fund for costs unless a court has awarded the costs and the amount of the awarded costs relates to a disbursement or fee actually paid by the customer.

(5) No person or body, including the Board and the Trustee, shall pay compensation from the Fund to a customer in respect of a claim if the total compensation, including compensation under section 84, exceeds \$45,000.

(6) For the purposes of subsection (5), the total compensation does not include any compensation paid for costs or interest awarded by a court.

Interim payment of compensation

84. (1) If it appears to the Board that a customer is entitled to compensation from the Fund and that an immediate payment is necessary to alleviate undue inconvenience to the customer, the Board, with the concurrence of the director, may determine that the customer is eligible to receive an amount from the Fund immediately to alleviate the inconvenience.

(2) If a quorum of the Board is not available, any two members of the Board may exercise the power described in subsection (1) with the concurrence of the director.

(3) If the Board makes the determination described in subsection (1), it shall advise the Trustee of its determination and the Trustee shall pay the compensation determined by the Board.

(4) Any amount paid by the Trustee under subsection (3) is an advance on, and shall be deducted from, any amount paid under subsection 82 (2).

Hearing by Tribunal

85. (1) If the Board determines that a customer is not entitled to compensation from the Fund in respect of a claim or any part of it, the Board shall serve notice of its decision, together with written reasons, on the customer.

(2) The customer is entitled to a hearing by the Tribunal if, within 15 days after being served with notice, the customer serves a written notice requesting a hearing on the registrar and the Tribunal.

(3) The notice under subsection (1) shall inform the customer of the right to a hearing by the Tribunal and the manner and time within which to request the hearing.

(4) If the customer does not request a hearing, the determination of the Board becomes final.

(5) If the customer requests a hearing, the Tribunal shall appoint a time for and hold the hearing.

(6) The customer, the Board and the other persons, if any, that the Tribunal specifies are parties to the hearing.

(7) After the hearing, the Tribunal may,

(a) subject to subsection 82 (3) and section 83, allow the claim, in whole or in part, and direct the Trustee to pay the amount allowed from the Fund; or

(b) refuse to allow the claim.

(8) For greater certainty, this section does not apply to a determination by the Board not to pay an amount under section 84.

Publishing decisions on claims

86. (1) For the purposes of subsection 42 (7) of the Act, the Board shall make the following information available to the public with respect to the claims for payment of compensation from the Fund that were received in each year, based on the year that the Board determines, on or after the day this subsection comes into force:

2. The total number of claims that were received but on which the Board has not made a determination.

(2) The Board shall publish the information described in subsection (1) by electronic means and shall update the information at least four times a year.

(3) The Board shall not publish, under this section, any personal information about an individual who is not a registered motor vehicle dealer without the individual's prior consent.

Liability of registrants to Fund

87. A registered motor vehicle dealer is required to reimburse the Fund for a claim paid to a customer of the dealer if,

(a) the claim arose from a trade in connection with which a court convicted the dealer of an offence and ordered the dealer to pay compensation or make restitution to the customer;

- (b) the claim is described in paragraph 10 of subsection 79 (3);
- (c) the dealer is insolvent; or
- (d) the dealer has become a bankrupt or a winding-up order has been made or a receiver appointed in respect of the business of the dealer under the *Bankruptcy and Insolvency Act* (Canada), the *Companies' Creditors Arrangement Act* (Canada) or the *Winding-up and Restructuring Act* (Canada).

 - c) il est associé, au sens du paragraphe 1 (2) de la Loi, avec le commerçant de véhicules automobiles inscrit visé par la demande d'indemnisation;
 - d) il a été complice d'une conduite illégale se rapportant à l'opération;
 - e) il fait des déclarations inexactes quant à la nature de la demande d'indemnisation ou fournit des preuves fausses ou trompeuses à l'appui de celle-ci;

f) il a déjà demandé à être indemnisé sur le Fonds en s'appuyant essentiellement sur les mêmes faits.

Présentation de la demande d'indemnisation et délai

80. (1) Pour demander à être indemnisé sur le Fonds, le client remet un avis écrit au registrateur dans les deux années qui suivent le moment où la demande satisfait aux critères énoncés à la disposition pertinente du paragraphe 79 (3).

(2) Le conseil proroge le délai de présentation de la demande d'indemnisation s'il l'estime indiqué.

(3) L'avis de la demande d'indemnisation contient une description détaillée de la demande et de tout versement ou recouvrement partiel que le client a reçu ou a le droit de recevoir à l'égard de sa demande et est accompagné de tous les documents et autres renseignements dont le conseil a besoin pour décider si le client a le droit d'être indemnisé sur le Fonds.

(4) Le registrateur envoie au conseil, dès qu'il les reçoit, l'avis de la demande d'indemnisation et les documents et renseignements qui l'accompagnent.

Réponse du conseil

81. (1) Le conseil peut demander au client qui présente une demande d'indemnisation sur le Fonds qu'il lui fournisse des documents et renseignements additionnels, s'ajoutant à ceux qui accompagnent déjà sa demande, et qu'il les remette sous forme d'affidavit ou accompagnés d'un affidavit.

(2) Le conseil peut demander au client de consentir par écrit à subroger le Fonds dans ses droits et ses recours à l'égard du règlement de sa demande d'indemnisation sur le Fonds.

(3) Si, dans l'année qui suit la réception de la demande d'indemnisation, le client ne fournit pas les documents ou renseignements additionnels visés au paragraphe (1) ou ne consent pas à la subrogation mentionnée au paragraphe (2), selon le cas, la demande est réputée abandonnée, sauf si le conseil est convaincu que cela serait injuste.

(4) Le client dont la demande d'indemnisation est réputée abandonnée ne peut d'aucune façon la rétablir.

Règlement des demandes d'indemnisation

82. (1) Le conseil décide de l'admissibilité de la demande d'indemnisation à régler sur le Fonds et de l'indemnité à verser et informe le fiduciaire de sa décision.

(2) Le fiduciaire verse l'indemnité que le conseil a fixée, sous réserve du présent article et de l'article 83.

(3) Avant qu'une indemnité prélevée sur le Fonds en règlement de la demande d'indemnisation ne soit versée au client, le conseil peut enjoindre au client, selon le cas :

- a) d'obtenir un jugement à l'égard de sa demande d'indemnisation, de faire délivrer un bref d'exécution, de faire prélever des sommes d'argent en vertu de celui-ci et d'interroger des débiteurs judiciaires;
- b) d'épuiser tous les autres recours judiciaires qu'il lui est possible d'exercer relativement à sa demande d'indemnisation, en plus de ceux visés à l'alinéa a);
- c) d'introduire une action contre toute personne contre laquelle il peut raisonnablement être réputé avoir une cause d'action relativement à la demande d'indemnisation.

Plafonnement de l'indemnité

83. (1) Nulle personne et nul organisme, notamment le conseil et le fiduciaire, ne doit verser une indemnité prélevée sur le Fonds en règlement de la demande d'indemnisation d'un client si l'indemnité est supérieure à celle qu'il aurait le droit de toucher auprès du commerçant de véhicules automobiles inscrit visé par la demande d'indemnisation.

(2) Nulle personne ou nul organisme, notamment le conseil et le fiduciaire, ne doit verser une indemnité prélevée sur le Fonds au titre des intérêts sauf s'ils ont été adjugés par un tribunal.

(3) Nulle personne ou nul organisme, notamment le conseil et le fiduciaire, ne doit verser une indemnité prélevée sur le Fonds au titre des dommages-intérêts punitifs adjugés par un tribunal ou au titre des intérêts qui s'y rapportent.

(4) Nulle personne ou nul organisme, notamment le conseil et le fiduciaire, ne doit verser une indemnité prélevée sur le Fonds au titre des dépens sauf s'ils ont été adjugés par un tribunal et qu'ils se rapportent aux débours ou aux frais que le client a effectivement payés.

(5) Nulle personne ou nul organisme, notamment le conseil et le fiduciaire, ne doit verser une indemnité prélevée sur le Fonds en règlement d'une demande d'indemnisation du client si l'indemnité totale, y compris celle visée à l'article 84, est supérieure à 45 000 \$.

(6) Pour l'application du paragraphe (5), l'indemnité totale ne comprend pas les dépens ou intérêts adjugés par le tribunal.

Indemnité provisoire

84. (1) S'il lui semble qu'un client a le droit d'être indemnisé sur le Fonds et qu'un versement immédiat s'impose pour atténuer les inconvénients excessifs qu'il pourrait subir, le conseil peut, avec l'assentiment du directeur, décider que le client a le droit de recevoir immédiatement une somme prélevée sur le Fonds à cette fin.

(2) Si le quorum du conseil n'est pas atteint, deux membres de celui-ci peuvent, avec l'assentiment du directeur, exercer les pouvoirs prévus au paragraphe (1).

(3) S'il prend la décision visée au paragraphe (1), le conseil en avise le fiduciaire et ce dernier verse l'indemnité que le conseil a fixée.

(4) La somme que le fiduciaire verse en application du paragraphe (3) constitue une avance sur l'indemnité versée en application du paragraphe 82 (2) et en est donc déduite.

Audience devant le Tribunal

85. (1) S'il décide qu'un client n'a pas le droit d'être indemnisé sur le Fonds en règlement d'une partie ou de la totalité de sa demande d'indemnisation, le conseil lui signifie un avis écrit motivé de sa décision.

(2) Le client qui en fait la demande dans les 15 jours de la signification de l'avis en signifiant à son tour un avis écrit au registrateur et au Tribunal a droit à une audience devant le Tribunal.

(3) L'avis visé au paragraphe (1) informe le client de son droit à une audience devant le Tribunal, de la manière de la demander et du délai fixé pour ce faire.

(4) En l'absence de demande d'audience, la décision du conseil est définitive.

(5) Si le client demande une audience devant le Tribunal, celui-ci en fixe le moment et la tient.

(6) Sont parties à l'audience le client, le conseil et éventuellement les autres personnes que le Tribunal désigne.

(7) À l'issue de l'audience, le Tribunal peut, selon le cas :

- a) sous réserve du paragraphe 82 (3) et de l'article 83, accueillir tout ou partie de la demande d'indemnisation et enjoindre au fiduciaire de verser l'indemnité en la prélevant sur le Fonds;
- b) rejeter la demande d'indemnisation.

(8) Il est entendu que le présent article ne s'applique pas aux décisions du conseil de ne pas payer la somme visée à l'article 84.

Publication des décisions relatives aux demandes d'indemnisation

86. (1) Pour l'application du paragraphe 42 (7) de la Loi, le conseil rend publics les renseignements suivants à l'égard des demandes d'indemnisation à régler sur le Fonds qui ont été reçues chaque année, selon la date de début d'exercice fixée par le conseil, le jour de l'entrée en vigueur du présent paragraphe ou par la suite :

1. Le nombre total de demandes d'indemnisation accueillies en tout ou en partie et le nombre de demandes rejetées.

 - ii. l'indemnité réclamée,
 - iii. si la demande a été accueillie en tout ou en partie et que l'indemnité a été versée, le montant versé et celui des critères énoncés aux dispositions du paragraphe 79 (3) que la demande remplissait.

(2) Le conseil publie par des moyens électroniques les renseignements visés au paragraphe (1) et les met à jour au moins quatre fois par année.

(3) Le conseil ne doit pas se prévaloir du présent article pour publier des renseignements personnels concernant un particulier qui n'est pas un commerçant de véhicules automobiles inscrit sans avoir au préalable obtenu son consentement.

87. Les commerçants de véhicules automobiles inscrits sont tenus de rembourser au Fonds toute indemnité versée à un de leurs clients dans l'un ou l'autre des cas suivants :

Notice of Minister of Health and Long-Term Care Avis du ministre de la Santé et des Soins de longue durée

Under s. 74(7) of the *Personal Health Information Protection Act, 2004*

Section 74 of the *Personal Health Information Protection Act, 2004* ("PHIPA") provides that where the Minister of Health and Long-Term Care determines that a potential regulation under that Act is of a minor or technical nature, then the requirement for a formal 60-day public consultation does not apply. The Minister is required to provide public notice of such a determination.

I have determined that subsections 74(1) to (5) of PHIPA should not apply to the power of the Lieutenant Governor in Council to make a regulation under PHIPA to change the reference to the 'Smart Systems for Health Agency' in

section 6.1 of Regulation 329/04 to "eHealth Ontario". The amendment is of a minor and technical nature to align with that agency's name change.

A regulation to this effect was made by His Honour the Lieutenant Governor in Council on September 29, 2008.

(141-G481E) The Honourable DAVID CAPLAN
Minister of Health and Long-Term Care

En vertu du paragraphe 74 (7) de la Loi de 2004 sur la protection des renseignements personnels sur la santé

Aux termes de l'article 74 de la Loi de 2004 sur la protection des renseignements personnels sur la santé (« LPRPS »), le ministre de la Santé et des Soins de longue durée peut décider qu'un règlement proposé en application de la Loi a une importance mineure ou est de nature technique et que l'obligation de tenir une consultation publique officielle d'une durée de 60 jours ne s'applique pas. Le ministre est tenu de publier un avis de sa décision.

J'ai décidé que les paragraphes 74 (1) à 74 (5) de la LPRPS ne devraient pas s'appliquer au pouvoir du lieutenant-gouverneur en conseil de prendre un règlement en application de la LPRPS pour modifier la référence à l'« Agence des systèmes intelligents pour la santé » à l'article 6.1 du Règlement 329/04 et la remplacer par « Cybersanté Ontario ». Cette modification a une importance mineure et est de nature technique; elle reflète uniquement le changement de nom de l'agence.

Un règlement a été adopté à cet effet par le lieutenant-gouverneur en conseil le 29 septembre 2008.

Ministre de la Santé et des Soins de longue durée
